

## Audition Materials

The goal of your MAYS audition is for the conductors to hear you play at your musical best, to ensure that you are placed in an orchestra where you will be surrounded by musicians of similar strength, and challenged on a weekly basis. The conductors will be listening for your overall sound quality, your sense of pitch, accuracy of rhythm, and observing your technique. You will receive feedback about your audition when you are placed in an ensemble.

You are required to upload an unedited and unaccompanied VIDEO recording performing the required audition materials for your instrument.
